

# ALETY HASINI REDDY

(+91) 8712303058 — aletyhr@gmail.com — LinkedIn — GitHub

## EDUCATION

---

### Anurag University

*B.Tech in Computer Science and Engineering CGPA: 9.00*

Hyderabad

2023 – 2027

### Sri Chaitanya Junior College

*Intermediate – 97%*

Hyderabad

2021 – 2023

## PROJECTS

---

### Library Management System 🔄

*C++*

- Developed a menu-driven Library Management System using C++.
- Implemented add, delete, search and display functionalities.
- Used file handling to store and retrieve book records efficiently.

### Emoji Memory Game 🔄

*React.js, JavaScript, HTML, CSS*

- Built an interactive emoji memory game using React.js.
- Implemented React Hooks for state management and score tracking.
- Designed a responsive interface with randomized emoji shuffling.

### Internship Application Tracker 🔄

*React.js, JavaScript, CSS*

- Developed a web application to manage internship applications.
- Implemented application status tracking and company search features.
- Designed a responsive interface for easy application management.

## SKILLS

---

- **Languages:** C, C++, Python (Basic), SQL
- **Web Technologies:** React.js, HTML, CSS, JavaScript
- **Tools:** Git, GitHub, VS Code
- **Soft Skills:** Problem Solving, Teamwork, Communication

## CERTIFICATIONS

---

- Machine Learning – NPTEL
- Operating Systems – NPTEL
- AI and Generative AI Basics – Microsoft

## ACHIEVEMENTS

---

- Solved 250+ LeetCode problems and earned a 50-Day Streak Badge.

## CODING PROFILES

---
